

TUITION AND FEES FOR UNDERGRADUATE PROGRAMS FOR THE ACADEMIC YEAR 2023-2024*

Tuition equals to the price of credits that the student plans to earn during the upcoming semester. KIMEP University gives you a right to select on your own the number of courses to take based on your own preferences and financial abilities.

Credit system of education is an educational technology aimed at increasing the degree of self-education and creative acquisition of knowledge on the basis of individual and selective educational pathway, taking into account the knowledge obtained in the form of credits

Credit system is a cumulative system, in which the student's credits are accumulated incrementally, starting from the first semester – to the last one.
